This Week's News

week of November 29, 2010

Jesus Time - God is faithful to all His promises, especially His promise of a Savior. We praise His holy name! Our Advent, a time of waiting, begins with the birth of John, Luke 1:5-25, 57-80.

Students did a great job preparing the Thanksgiving "Feast" at school. I hope you had a good celebration and vacation!

I included a coupon for a free book with the book orders today. Please look at the orders and help your child pick out a book as a gift from me. The orders will be delivered by Christmas. Consider ordering other books; good stocking stuffers or gifts for any age!

Chef Combo will help us make Gingerbread People this week. We will practice measuring skills and have fun decorating.

Sharing the love of Jesus,

Mrs. Carlson
